INDEX

EOS LINE

Complete range of Flash Stamps

The EOS Line is a modern and ergonomically designed flash stamp. This technology allows an optimized handle size also for large text plate sizes.
COLOP offers a complete range of sizes – up to X-large formats. More than 20.000 sharp and clear imprints without re-inking are possible.

All EOS standard and X-large mounts consist at least of 50 % recycled plastic.

X-Large image window for full size imprint and personalization

Dust cover for protection and transportation

Easy and clean re-inking

Red and grey handles available as additional parts for most common sizes

Portable Stamps

Essential companions ...

Multifunctional and always with you - on your desk in the office, or „on the road" in a pocket, around the neck or on a keyring.

Modern design -
minimized
and reduced
to the essential

COLOP's pen stamps
are attractive writing
implements, but with the
added function of a
practical stamp

Easy and flexible
to use -
effortless and clean

Small, smart
and portable-
with a clip it goes
everywhere

Flash Machine

Optimally adjusted for the production of EOS stamps

The compact COLOP FS-800, FS-1200 and FS-1200 T are simple to use.
The machines are optimized for the whole EOS-product range
and the system guarantees excellent results every time.

The robust shutter
mechanism distributes
the pressure optimally
on the flash text plate

The flash process starts
automatically by closing
the lid

Magnetic distance plates
allow a fast switch-over
of the particular EOS-systems

EOS Typesetting Tool

Typesetting with a few clicks

The EOS Typesetting Tool is a CD containing everything the user will need to create textplates in minutes. It offers templates as well as the ability to upload photographs.

Run directly from CD

Includes templates for all EOS sizes

Make stamps with your photo!

EOS Typesetting Tool	
content	**1 CD**

2 *TYPESETTING*

Enter the text and use the formatting controls to change the text style.

1 *CHOOSE SIZE AND TEMPLATE*

Choose the desired EOS size and start either with a template or with a blank text plate.

4 *PREVIEW AND PRINT*

Click on "view" to see the PDF preview and make sure that following settings are correct: Paper size DIN A4 (210 x 297 mm – also when using A6 vellum), no page scaling and no "auto-rotate and auto-center mode".

3 *ADD IMAGES OR EVEN PHOTOS*

Choose images from the Clipart Collection or upload your own photo. It will be processed by a half-tone-filter to use it for a stamp.
